SIR,

I have the honour to forward herewith a statement showing the amount of Revenue outstanding against the Deputy Commissioners of Districts for the supply of shed materials at cost price up to the end of the past official year. It will be seen therefrom that there has been considerable delay in the adjustment of these dues- and this is apparently due to the disregard of orders conveyed in para 4 of Government Order No. 10530-40/ San (99 of - 04) -14 dated 16th May 1905. I therefore request that you will be good enough to move the Government to pass such orders as would ensure the prompt adjustment of the bills presented by this Department

I have the honour to be,

Deputy Commissioner,
Mysore District.

To

D.M.Narasinga Rao, Esquire., B.A.,B.L.,
Secretary to the Government of His
Highness the Maharaja of Mysore,
General Department, Bangalore.

Sir,

With reference to your letter No. 8128/San.76-12-9 dated 4th May 1916, re the adjustment of certain bills on account of supply of shed materials, I have the honor to enclose herein a statement showing what items have been adjusted and what items remain unadjusted.

The cost of the shed materials supplied during 1911-12 is shown as 2051-7-0 in the statement received with your letter under reply . But a reference to this accounts of the Forest Department shows that the cost aggregates to Rs 2092-9-7 as detailed in the enclosed statement and this entire amount has been adjusted as noted against each item.

As regards the marginally noted items, the month and the year in which the supply was made and the Forest Department bill No in which the amount was claimed have not been -- given . These being very old items it cannot be said whether these - have been adjusted or not in the absence of necessary particulars. The District Forest Officer, Mysore, will be requested to furnish the required information respecting these items. The sum of Rs 108/- shown as item No. 7 has to be accounted for by the President of the Mysore Cit Municipal Council as the Forest Department bill No 31 dated 28th June 09 was sent to the Vice President with District Forest Officer's No 6184 -- dated

Rs 528-2-1
Rs 36-4-1

(60)

dated 28th June 1909. The only items that remain to be adjusted in this Office are (1) Rs 8-2-5 being the value of materials supplied to the Amildar of Seringapatam in 1902 (2) Rs 111-14-4 cost of materials supplied to the Amildar of Yedatore in 1909 and (3) Rs 76-10-9 cost of materials supplied to the Amildar of Gundlupet in 1911. These matters are under correspondence and will be adjusted soon.

It will thus ~~be~~ seen from the enclosed statement that out of the total sum of Rs 3748-10-3 shown as unadjusted in the statement received from you,-

(a) Rs 16-12-1 has been eliminated as per Conservator's No 813 dated 2nd July 1914, to the District Forest Officer.

(b) Rs 2862-12-6 has been adjusted.

(c) Rs 564-6-2 has to be adjusted after receiving necessary information from the District Forest Officer.

(d) Rs 108-0-0 has to be adjusted by the Mysore City Municipality and

(e) Rs 196-11-6 remains to be adjusted by this Office after completing the correspondence.

I have the honor to be,

Sir,

Sir,

In forwarding herewith a bill for Rs. 108/- being the value of shed materials supplied to 45 persons of the Padavarhalli Village in June 1909 to enable them to evacuate on account of plague, I have the honour to state that the original bill that was received from the Forest Department during that year having been sent to the Health Office, it was thought that the amount was paid to the Department. Subsequently, the claim having been renewed, a thorough search was made for the records and it is now learnt that 450 big and 900 small bamboos were issued free of cost to 45 persons of the Padvarhalli village at the rate of 10 big and 20 small bamboos and that the cost thereof viz. Rs.108/- has not yet been adjusted owing to the papers having been shelved by the late Head-Clerk of the Health Office who has already been dismissed in connection with other irregularities.

No.334 dated 19-9-1916, from the President, City Municipal Council, Mysore, to the Sanitary Commissioner in Mysore, Bangalore.

In forwarding herewith a bill for Rs.108/- being being the value of shed materials supplied to 45 persons of the Padavarhalli Village in June 1909 to enable them to evacuate on account of plague, I have the honor to state that the original bill that was received from the Forest Department during that year having been sent to the Health Office, it was thought that the amount was paid to the Department. Subsequently, the claim having been renewed, a thorough search was made for the records and it is now learnt that 450 big and 900 small bamboos were issued free of cost to 45 persons of the Padvarhalli village at the rate of 10 big and 20 small bamboos and that the cost thereof Viz., Rs.100/- has not yet been adjusted owing to the papers having been shelved by the late Head-Clerk of the Health Office who has already been dismissed in connection with other irregularities.

2. The claim of the Forest Department for Rs.108/- is valid and I therefore request you to be so good as to have the amount adjusted from plague funds.

Sir,

With reference to your letter No.G.4144 dated 18th. August 1919 in the matter of the adjustment of the amount due to the Forest Department on account of the supply of shed building materials,I have the honor to state that as it came to notice that the local bodies at whose instane the Forest Department supplied shed building materials in the past,were not --- adjusting the accounts promptly instructions have been issued to the Forest Depsrtment that in future the requisitions may be attended to not only promptly but that the charges be also got adjusted then and there,at the time of the delivery of the articles.

2. Regarding the marginally noted itemswhich aggregate Rs. ~~6720/~~-6720/-being the value of articles supplied from time to time since 1911-12 the Municipal Councils concerned have been written to to effect speedy adjustments. The heaviest amount is outstanding against the Hassan Municipality. It is understood that while readily appropriating the materials supplied, at the time of need by distributing them generally free of charge, no

pains were taken to maintain in the Municipal Office or elsewhere, any account of stock received or distributed. When ----- pressure was put uopn the Municipal Council, in the psst few months, to see to the speedy adjustment of the accounts, the Council appointed a Sub-Committee to investigate the matter. This Committee has after some scrutiny held, for obvious ----- reasons, that as satisfactory accounts are not available, it is difficult to make the adjustments. The matter will be again placed before the next Municipal Council and a final report sent up early in April ~~next~~ next.
